The NAHB Member Identification (ID) Code is made up of eleven data blocks which are explained below. It is separated from the six Digit NAHB Membership Number assigned to each member. The ID Code is designed for use by NAHB and its affiliated state and local associations to provide services which respond to the changing needs of our membership. Please note as in the examples below, if the requested data for a particular block is not applicable, enter a dash (-). Also, if you don't know the exact answer for a particular block, please give your best estimate, in order for an associate member to receive the Builder Magazine they must be classified with an occupation code ranging from (A-Z). A "Z" or other classification code must also be further defined by writing the members specific occupation in the space provided. Any associate member not classified as outlined will not receive a copy of the Builder Magazine.
